Take a photo of your passport

Use your phone's camera to take a photo of the passport you will use to travel to the UK. Your ETA will be linked to this passport.

To take the photo:

1. Open your passport to the personal details page and place on a flat surface, facing you.
2. Hold your phone above your passport, ready to take a photo.
3. You may need to move your phone so that the personal details page fits in the camera screen.
4. Your photo will be taken automatically, when it meets the requirements.

Take photo

Access the chip in your passport

This is so we can check the information stored in your passport.

Close your passport and remove any cases you have on the phone or your passport before you continue.

Turn your passport over so the back is facing up.

Continue

Place the phone on the back of your passport

Make sure the phone and the passport are touching
